2011 Nationally Recognized Blue Ribbon School

January, 2018

Dear Prospective Parents of Students in Grades 2-8,

Thank you for your interest in St. Columban School, we are excited to begin the registration process for new students of the 2018-2019 school year! This year we celebrate over 90 years of academic excellence providing a challenging, value-centered education, and we are eager to support you in your role as primary educator of your child.

Completing the registration forms is the first step in the admission process. Forms should be typed, printed and submitted, along with the other items on the checklist, to the school office. After review of applications, we will use a combination of factors to help us learn about your child. This process includes academic screening, which is scheduled by appointment (usually on Thursday mornings), a review of previous school records and contact with your child's previous teacher or school. Acceptance will be determined in accordance with the priority admission policy. Final acceptance letters and/or waiting list letters will be mailed by April 1, 2018.

We are happy to assist you in any way. If you have questions or concerns, please call the office at 513.683.7903. We hope that this will be the beginning of a successful journey for your child at St. Columban School.

Sincerely,

Mrs. Jo Rhoten, Principal

Mr. Joe Crachiolo, Assistant Principal

General Registration Information for Attending St. Columban

REGISTRATION

First and foremost, St. Columban School is established to serve primarily the membership of St. Columban Parish. The parish believes that our school is truly an important ministry in the life of the parish community. Our school does not discriminate on the basis of race, color, gender, or national origin. Moreover, our school will accommodate students with disabilities, if, with reasonable accommodations, the student can meet the academic and behavioral guidelines of the school. Our belief is that every child who belongs to a family registered at St. Columban Parish should have the opportunity for a Catholic education to the best of our ability. That is why it is important to have a clear policy of acceptance.

The following priority list will be used to determine admission to St. Columban School:

I. Pre-Kindergarten

St. Columban School welcomes children who are four years old on or before September 30th of the current school year, if deemed to be ready through the screening process.

- a. Children accepted in the previous academic year, but who wish to repeat the Pre-K program must do so at a minimum of 5 half days
- b. Children who were not accepted in the previous academic year for readiness reasons, who are now found ready, and whose parents have remained active parishioners
- c. Children of active parishioners who have siblings presently enrolled in our school and whose tuition is current
- d. Children from families of active parishioners whose elder siblings attended St. Columban School
- e. Children of active parishioners who do not have siblings presently attending our school
- f. Children of inactive parishioners who already have siblings presently enrolled in our school and whose tuition is current
- g. Children of inactive parishioners who do not have siblings presently enrolled in our school
- h. Children of non-parishioners will be considered

Based on the above criteria, acceptance will be prioritized by the program requested. Options are: five full days, three full days, five half days, and three half days.

Preliminary acceptance letters, based on the above criteria, will be issued on or before March 1st. After that date, each registration will be considered independently.

II. Kindergarten

St. Columban School welcomes children who are five years old on or before September 30th of the current school year, if deemed to be ready through the screening process.

Occasionally, there is a waiting list for one or more of the grades here at St. Columban. When a *waiting list* is enacted, it remains in effect during the current school year until the start of the official registration period for the next year, as determined by the school principal. However, at the close of the official registration period, those on the waiting list who were offered a place, but refused to take it for whatever reason, will have to re-register for the new academic year and be put on the waiting list with the others. Those who were on the original waiting list but were not offered a place in our school will be reconsidered following the criteria listed above. In the event that the number of applicants in a category exceeds the number of possible seats in any given grade, the school and parish administration will review the totality of the applications to determine admission. Discretionary review is reserved to the school principal and pastor in making admission decisions.

Please direct any questions regarding tuition to the Parish Office at 683-0105.

NEW STUDENTS

A student new to St. Columban School will be subject to a probationary period of one trimester. The purpose of this time period is to determine if our program and environment will allow the new student to succeed and reach his or her full potential.

NON-DISCRIMINATION POLICY

St. Columban School admits students of any sex, race, color, national or ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of sex, race, color, national or ethnic origin in administration of educational policies, admission policies, loan programs, athletic and other school-administered programs, and/or in hiring teachers.

Living Out Stewardship

Dear Parishioner,

As baptized members of the church, we are all called to become actively involved in the word and work of Jesus Christ. During the baptismal ceremony parents accept this responsibility on behalf of their children and renew their own promise. The active involvement of all members is central to our celebration of the Sunday Eucharist.

Our promise is most often lived out in the parish community by sharing our time, talents, and treasures. As you prepare to register your child for the upcoming school year, we ask you to reflect on your family participation in the parish life of St. Columban. To help you take a personal inventory of your gifts to our community, we ask you to please list on the following page the ways in which your family lives out stewardship. Please take the time to fill out this form completely as we use the information that you provide to determine acceptance in accordance with our priority admission list. If you are new to St. Columban please complete this form using your past history from your previous school/parish.

Sincerely yours,

Mrs. Jo Rhoten, Principal

Reverend Lawrence R. Tensi, Pastor
